

### The Benefits

A safe and clean place to play, no more ice to fall on, or wet, slippery conditions. Extended outdoor sports season.

### Our Community

Maurice Cody P.S. community is viewed as one big family. Over 600 kids play together at recess, after school and on weekends.

The City of Toronto Community Centre located at Cody contributes to 50 hours a week of play field usage by various programs and Sports Camps.

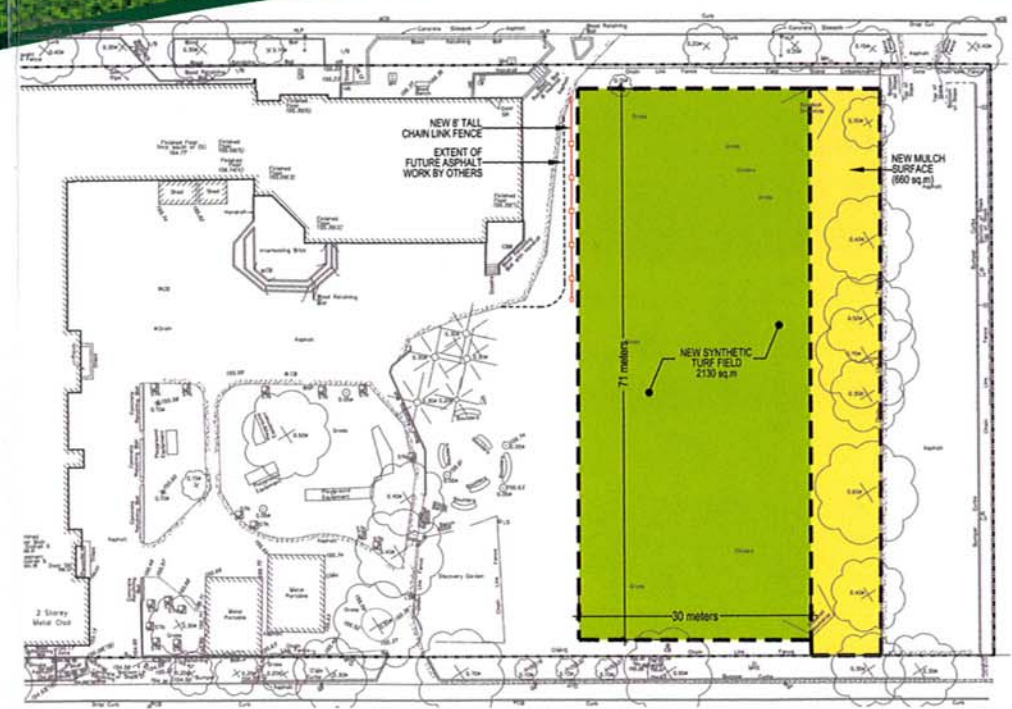

We are committed to Daily Physical Activity which contributes to educating children about the significance of living a healthy lifestyle.

### Our Field...Today

Unfortunately, due to the drainage conditions and usage of the Maurice Cody playing field, it is difficult to keep grass.

Our field is often closed due to weather conditions. It is dusty or muddy which makes it difficult for the children to play without spending the day in wet and muddy clothes

Installation of new sod has been attempted, but after months of closure to allow the new sod to grow, the field reverts back to its original state within just weeks of our 600 active students using it.

### The Solution

After thorough research and community engagement, it has become apparent that installing artificial turf is the only solution to the issues we are facing

It will ensure that our community's current children, and future students will have a beautiful, safe place to play all year long

The Kids at Maurice Cody Need Your Help! We hope you'll join with us to create an improved school yard that will allow children at the school and in the community to play all year long.

The Toronto District School Board has provided an estimate of approximately

\$350,000-400,000 as a base price for the field. The actual cost cannot be known until the design has been finalized and a competitive bidding process has been undertaken. A 20% contingency figure has been included to address elements or conditions that are not known at this time and level of design.

We are seeking sponsors to help us achieve this goal as soon as possible so that our children do not have to wait another year to play at their school.

Corporate and private sponsors, community members and Maurice Cody families who donate will be recognized for supporting our "Dirt to Turf" fundraising campaign.

For further inquiries please visit the Maurice Cody website and look under the Sports Tab.

## DONATION FORM

Yes! I would like to help make Maurice Cody's "Dirt to Turf" project a reality.

Sponsorship:  \$250  \$500  \$1000  other

Name as you wish it to appear on our website Donor List:

Please make donations through our GIVING PAGE or make cheque payable to TDSB Maurice Cody Dirt to Turf.
